Dear Parent/Carer,

ROBINWOOD RESIDENTIAL MEDICAL INFORMATION

As you will be aware that I sent an allergy form out yesterday (21.02.23) and that is for Brackenhill's records. However Robinwood are asking for their own form to be completed. The reason for this form is so that they are able to contact you - if required - whilst your child is under their supervision. This form must be returned to the office no later than Friday 24th February.

Yours sincerely

Mr Parker
