Dear Parents/Carers,

Our year 3 children have a fantastic opportunity to take part in a Schools Linking programme this year. Linking schools is a programme that works with children of diverse communities, cultures and backgrounds to build relationships, thus supporting the promotion becoming accepting and understanding of everyone in diverse communities and those from different walks of life. Willow class will be linking with Thornton Primary School. Through the year, our two classes will write to one another, play games as classes in shared online lessons, send photographs (subject to permission), artwork and poetry. All the work will be sent across by the teachers.

These are some of the questions linking will help us think about:

- ❖ **Who am I?** – thinking about things that make us who we are.
- ❖ **Who are we?** – thinking about the similarities and differences we may share with others
- ❖ **Where do we live?** – learning about the places and communities we live in.
- ❖ **How do we all live together?** – thinking about how we all live, play, and work together so that everyone is treated fairly.

Please complete the permission slip attached below and return it to the class teacher.

Yours Sincerely
Mrs N Ishtiaq
Headteacher
